PRESS RELEASE:

FOR IMMEDIATE RELEASE

Cennox has acquired European Division of 3SI Security Systems

Malvern, PA, July 26, 2017: [Cennox](#) announced today that they have completed the successful acquisition of the European Division of 3SI Security Systems from Stirling Square Capital Partners. The agreement was finalized on July 25, 2017, and has immediate effect.

The announcement follows almost two years of an exclusive distributor agreement between 3SI Security Systems and Cennox, covering the UK and Ireland, as well as a service partnership between the two companies in the United States.

3SI and Cennox have signed a forward-looking long term distributor / partnership agreement in Europe and have devised a smooth transition plan to ensure no interruption of business or service to any 3SI clients. With both companies poised to provide complementary solutions to the financial and retail markets, the synergies developed will benefit both current and future customers.

The North America Division of 3SI was acquired by LLR Partners, a private equity firm in Philadelphia, PA, on June 20, 2017.
