## PRESS RELEASE:

### FOR IMMEDIATE RELEASE

---

**Malvern, PA** — 3SI Security Systems, a global leader in asset protection technology, and the Powhatan Group, a safety and security consulting firm, have joined forces to bring their vast range of products and services to security and loss prevention professionals in retail and financial institutions.

The Powhatan team brings extensive experience in safety and security consulting, and has helped customers advance systems, reduce risk, and remain thriving in an ever-changing security landscape. These services combined with the asset recovery and criminal apprehension solutions delivered by 3SI will provide comprehensive security tools to clients.

“Security and loss prevention departments constantly face new threats that impact their businesses. The caliber and depth of experience of the Powhatan team makes them uniquely qualified to address these security challenges. Many of our clients are seeking consultative support to streamline their security protocols, and we are thrilled to be able to offer them the services of the Powhatan Group”, said Bob Kiefer, Executive Vice President of Sales for 3SI.

“With over 45 years’ experience in security technology, 3SI leads the field in asset protection” said Charles DeVita, Managing Director of the Powhatan Group. “Our firm comprises some extraordinary professionals, subject matter experts and recognized leaders from government, academia, law, the nonprofit sector, and the military. Being able to leverage 3SI’s 45 years of security experience will be a great benefit to our customers.”
