<b>\$21,000</b> <b>1 arrest</b>	<b>Cash Tracker™ + Jewelry Tracker™ - Charlotte, NC – Feb 11</b> A suspect robbed a pawn store of cash and jewelry and sped away from the crime scene. Luckily, he had also stolen a Cash Tracker and two Jewelry Trackers, so police were quickly on his trail and found him driving a stolen Maserati, a car tagged to a previous (and unsolved) armed robbery! A high speed chase ensued and the Maserati almost prevailed but police had the upper hand thanks to tracking info provided by the 3SI devices. Police found the car and the suspect again tried to outrun them, but this time his luck ran out and he crashed into a tree. He was taken into custody; police also recovered the gun used in both robberies. Over \$20K in stolen jewelry and \$1000 in cash were also recovered.
